Subject: Freedom of Information Request: Communication between Cadmus Group and EPA 2003-2004

July 11, 2017
Environmental Protection Agency
National Freedom of Information Officer
U.S. Environmental Protection Agency
1200 Pennsylvania Avenue, NW (2822T)
Washington, DC 20460

To Whom It May Concern:

This is a request under the Freedom of Information Act. From late 2002 to 2004, the Cadmus Group served as an EPA contractor that researched and wrote a June 2004 report called Evaluation of Impacts to Underground Sources of Drinking Water by Hydraulic Fracturing of Coalbed Methane Reservoirs.

I hereby request the following records:

Please provide any full or partial drafts of the above report that Cadmus produced for EPA. One of them was likely submitted in Dec 2003.

Please provide all emails and other written communication in 2003 and 2004 between any Cadmus staff and Bill Diamond.

Please provide all emails and other written communication in 2003 and 2004 between any Cadmus staff and Leslie Cronkhite.

Please provide all emails and other written communication in 2003 and 2004 between any Cadmus staff and Bruce Kobelski.

The above named individuals worked in the Office of Groundwater, most likely in the office of Underground Injection Control (UIC).

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

Please properly categorize me as in the media requester category for fee assessment purposes.

I am a reporter for Inside Climate News who has extensively covered the topics of this request, and I am filing this request as part of my news gathering process. I would be enormously grateful if I could get the material by Aug 14 2017. If EPA is prioritizing what to give me, top of the list is any draft report by Cadmus.

You can find some of my recent reporting on the EPA and environmental issues at this URL:

If additional clarification is needed for fee categorization, please let me know. I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

Neela Banerjee
